

SO YOU WANT TO BE A CAMP COUNSELOR?

Being a camp counselor is more than just memorizing silly songs and learning campers' names. It's about connecting kids to an environment and experiences they wouldn't have access to anywhere else. As camp counselors, we seek to show kids a wide world of adventure, exploration, friendship, and opportunity. As camp counselors, we strive to have a positive impact on the life of many children. So if you are ready to be an influence in a child's life in a fun and challenging way, then becoming a CIT is the path for you.

If you (and your parents) are interested in signing up for this program, use the registration link and fill out the corresponding form and pay the deposit. Afterwards, open the link on this page for the CIT application. Send the completed application back to kittitasee@gmail.com.

[PARENTS! THIS FORM IS FOR YOUR TEEN TO FILL OUT. DO NOT DO IT FOR THEM! Part of becoming a CIT is beginning to switch their mindset from camper to counselor and treating this program as a job will teach them valuable and useable life skills.]

After your application is received and reviewed, you will receive a confirmation email inviting you into the CIT program! Review the training schedule below and prepare for an exciting and challenging two weeks! Any and all questions can be asked via email. We love questions!

We hope to see your bright faces ready to learn on July 12, eager to become the next generation of amazing camp counselors!

~Carlyn Saunders, KEEN EE Director
